Preference sheet is available via email or on the Legacy website. If you are running for an executive board position you cannot be on the nominating committee. Please rank your top three positions and write about why you would be a good candidate for the Legacy League general board. Please do not mention a specific position as you must be open to any of the three positions you have indicated interest in. **See above for the requirements you have to meet.** Legacy League wouldn't be what it is without our board/committees so please get your preference sheets turned in!
