Since 2006, Kids' Meals has been making and delivering free, healthy meals directly to the homes of hungry children. Since inception, we have given more than 8 million free meals to food insecure children in 42 Houston-area zip codes. Kids' Meals is a first-responder to children ages 5 and under facing debilitating hunger due to extreme poverty.

The Montgomery county location delivers approximately 7,000 meals in a decorated brown lunch bag on a monthly basis to children in the area.
